For estranged friends Ashley, Natalie, and Lauren, it's time to heal the old wounds between them. Where better to repair those severed ties than on a girls' getaway to the beautiful paradise of Tulum, Mexico? But even after they're reunited, no one is being completely honest about the past or the secrets they're hiding. When Ashley disappears on their girls' night out, Natalie and Lauren have to try to piece together their hazy memories to figure out what could have happened to her, while also reconciling their feelings of guilt over their last moments together.

Was Ashley with the man she'd met only days before? Did she pack up and leave? Was she kidnapped? Or worse—could Natalie or Lauren have snapped under the weight of her own lies?

As the clock ticks, hour by hour, Natalie and Lauren's search rushes headlong into growing suspicion and dread. Maybe their secrets run deeper and more dangerous than one of them is willing or too afraid to admit.
