Mission in Marginal Places #02: The Praxis The second book in the series focuses on participation and practice, and discusses a range of ways in which Kingdom-centred mission can be embedded in the actually existing realms of activity and need in marginal places. The book explores five different realms of practice, each presenting opportunities for innovative expressions of incarnational attentiveness to marginalized communities and people. It seeks to inspire prayerful and discerning activity that tunes into what Jesus is doing in local places, rather than providing any kind of "off-the-shelf" checklist of prefigured mission tactics. It challenges readers to take their faith-praxis beyond orthodox congregational settings and out into the everyday realms of life in marginal places.
