We are clear about the origin of the money “ it is our money.

What have the Oil Arabs been using our money for?

They have deliberately been subverting Western civilization, sponsoring illegal immigration of Muslims that will change the demographic of Europe, sponsoring radical Islamic networks in Europe to undermine European values and freedoms and financing terror.

Let us be clear about one thing “ there is no need to buy Arab Oil. Western technology can support our societies totally free of carbon energy.

Cocktail is defined as any drink containing two or more ingredients, if one of them contains alcohol. It is a term from at least 1798 meaning a mixture drink. The term is used to describe other forms of mixtures.

Arab Oil Money is our money we send to the Middle East in return for them pumping up carbon rich deposits that were created many millions of years ago from dead animals, and which just happen to be deposited under the surface of the land they inhabit at the moment.
